# Expanded SUD Treatment

Indiana Family and Social Services Administration  
Office of Medicaid Policy and Planning

# Expanded SUD Treatment

*Primary Goal: ensure coverage for the full continuum of SUD treatment*

- Expand coverage for **inpatient services** to IMD settings to primarily treat opioid use disorder or other SUD
  - February 2018
- Create coverage for **residential services** (per diem payment)
  - March 2018
- Expand coverage for **addiction recovery management services**
  - Later in 2018

# Certification Standards

Indiana Family and Social Services Administration  
Office of Medicaid Policy and Planning

# Certification Standards

*Primary Goal: align Indiana's addiction providers with the American Society of Addiction Medicine (ASAM) standards of care*

- Create ASAM-level designation process for residential providers
  - **February 2018**
- Expand Indiana Administrative Code (IAC) certification standards with ASAM
  - **Later in 2018**

# Designation Process

- [DMHA Website](#)
1. Obtain Appropriate Certifications from DMHA
  2. Obtain ASAM Designation (offering 3.1 or 3.5 level services)
  3. Enroll/Add Provider Type and Specialty (Type 35, Specialty 836)

# Assessment Standards

Indiana Family and Social Services Administration  
Office of Medicaid Policy and Planning

# Assessment Standards

*Primary Goal: ensure that providers and Indiana Medicaid are using the same assessment tools to ensure the most appropriate level of care*

- Creating (or updating) a standard addiction assessment tool that incorporates all six dimensions of multidimensional assessment from ASAM
  - **Summer/Fall 2018**
